Institutional Distinctiveness

Maharana Pratap Government Post Graduate College is a government institution located in the rural area. Majority of students are from poor social and financial background. In spite of being properly connected to the state highway, public transport facility is poor. Since this is only govt. P.G. college in this semi-rural area, it is our strength also. The college is successfully running 7 subjects at UG level and 3 subjects at PG level. Proposals for starting B.Sc., B.Com. and some more subjects at UG and PG level have been forwarded to the higher authorities. We are very much committed to attract the good stuff which can be groomed and polished to perform several responsibilities and obligations towards society and nation.

This institute is very much committed to provide equal opportunities for getting low cost and quality education to the students of all sections of the society specially to the marginalized sections. Students are the indicative of the richness and development of the college. It is a matter of happiness as well as pride that in every academic year, the result of the college is above 90 percent. It shows the continuous efforts made by the faculty and the hard work as well as sincerity of the students.

The college provides the opportunities to the students to develop critical thinking, reasoning and intellectual in them and motivate them to participate in various competitions like debate, essay, speech, slogan, rangoli, poster etc. The winner students are awarded in annual function at the end of every academic year. E library facility is also available to the students to search for the researches, journals and books. For the safety and security of the students, the whole campus is under the surveillance of CCTV cameras. NSS and Rovers/Rangers units provide an insight to the students regarding grassroots level problems and make them aware and sensible towards their social and constitutional obligations.
