Utilising College Various Facilities

PHYSICAL FACILITIES

Infrastructure facilities are the key for effective and efficient conduct of the educational programmes. The Institution has 06 class rooms, 1 computer lab, 2 ICT enabled Smart Rooms, 1 seminar hall, Research & Development Cell, well equipped library / DELNET online e-Library, 1 Parking Stand and 1 sports Ground. All the facilities are extensively used for effective teaching-learning and research. The campus area of more than 3.427 acres provides the institution with ample scope for expansion in the coming years. Construction works of new PG block and Computer Class. Furniture, laboratory equipment and computer facilities have been enhanced and tuned to match the needs of time. Right from the inception the college had the main motto of providing the best facilities for the student community by using the available resources. The policy of the college is to provide the best infrastructural facilities available to the students and ensure optimum initialization of these facilities in academic and non-academic programmes.
